Comment text:

Newsham park can only be accessed by foot from Kensington so should belong in Stoneycroft. Newsham park is used by the schools in Stoneycroft as they don't have any other parks or school field. How can we expect a school to use and be able to support out of their district. Use of the park will not be concerned for the schools if it is controlled by a district whos schools don't use it. Moving to Stoneycroft wouldn't increase the constituency.
