Subject: Boundary Commission - RE Proposed Split of Tuebrook and Stoneycroft Ward
Categories: Submissions, [REDACTED]

To whom it may concern,

I wish to formally register my objection regarding the proposed splitting of the Tuebrook and Stoneycroft wards.

In my opinion, proposing to now create three wards across the Tuebrook area would damage the good work that is done by the three current councillors we have in place.

Reducing this to one Councillor, will not only leave the area seriously compromised, it will lead to services they provide being reduced due to lack of manpower, it will impact on the level of service, accountability and reporting of issues we currently receive.

It also offers no provision for sickness cover, again impacting on the needs of the residents in the area.

I believe in the maxim, "if it's not broke, don't fix it", so please don't go ahead with this ridiculous proposal

I ask that my concerns are raised and those I trust those of other residents when you next convene the Commission to discuss this proposal,

Yours Disapprovingly
