I much prefer the system we have at the moment where we have 3 Councillors who help each other, crossing Wards. Why would anything less than this be more beneficial to what we are used too, by an excellent team.

It would seem that the boundary commission is proposing to split the Tuebrook and Stoneycroft Ward into 3 different wards Stoneycroft, Tuebrook Larkhill and Tuebrook Edinburgh Park. This would mean we would have one councillor rather than a team of 3 working across the whole of Tuebrook. With us having so many shared facilities - shopping area, Tuebrook Community Centre Marlborough Road, Tuebrook Hope Centre and Tuebrook British Legion and Peter Lloyd. This makes no sense at all and makes it very vulnerable for residents if one councillor was away with work, ill or domestic problems that the smaller ward would not be represented the same. We have an excellent service here with the three Councillors working closely together for the good of everyone, please do not change the present system, it may have a negative impact on us in this area.
