Snobbery lines. For example Childwall Valley Road is basically called Childwall but those who live in the posher houses will moan so you call it Bellevale . Same with Belle vale Road you've called part of it BelleVale because those who live in the cottages will moan and your boundarys are bizarre. You've devalued my house by doing this. I purchased this house with address of being Gateacre. I can see Gateacre Medical Centre from my doorstep. The boundary lines should be non biast and open minded, not about pleasing those in bigger houses. God forbid calling an ex council house Gateacre!
