The new ward 'Paddington' is too big and too diverse to be represented by one or even two councillors. I would have divided Liverpool 8 differently but the proposal is workable. But comments as to names: (a) the proposed 'Princes Park' should be called Granby, that is the term used locally eg for the monthly street market and the actual Princes Park is right on the edge of the ward area; (b) 'Toxteth' is a bureaucrats term normally used i respect fo the whole of L8 but not used by locals at all. A better name would be 'Admiral' after Admiral Street that runs through the middle of the new ward.
