The proposals for the Fazakerley West and Aintree are appalling. Communities are being split up. Others linked with areas with nothing in common. The area bordered by Longmoor Lane and Rhodesia Road including the Ville Roads should be included in Fazakerley West and not Aintree. I can't put into words how bad these plans are. Monville, Nelville, Tynville, Jonville, Deauville, Bradville, Sandy Lane, Rhodesia need to be with the communities off Longmoor Lane. The Long Lane/Sparrow Hall Estate belongs with Norris Green. Walking 5 minutes along Longmoor Lane from Nelville Road to Fazakerley Station would involve 3 wards this is ridiculous! I sincerely hope you will look again at these proposals. Thank you
