The nonsense of the construction of that ward(Westdene and Hove Park) no community interest, no transport links etc, readily available alternative. - reduce the oversize of Hove Park ward within Hove - combine Westdene with Patcham village (boundary at Braybon Ave/Warmdene Road) - name the western ward "Patcham and Westdene" - name the eastern ward "Hollingbury and Ladies Mile" and reference to the "Ladies Mile Estate" being Mackie/Braeside Ave which I read up about! - adjust boundary north of Tivoli Crescent North to keep some roads out of "Preston Park" ward (can't remove much more as it is under sized already)
