Subject: Proposed New Ward Boundaries Brighton and Hove

Categories: Submissions, [REDACTED]

Dear Sirs,

I'm [REDACTED]. We have entered South and South East in Bloom as Brunswick Town in Bloom for many years, apart from corona virus interruption, and have always held the silver/gilt award. Brunswick Town in Bloom includes all of the local residents associations who come together as one to achieve this award, it is very much a joint unification and project.

It is very important to us that our ward remains unchanged as this area has such a special historic character that is not in common with Regency ward.

The character Statement for Brunswick Town shows the historic importance of this area, please view it at

https://consultations.brighton-hove.gov.uk/planning/brunswick-town-character-statement/user_uploads/brunswick-town-conservation-area-character-statement-rev-02-low-res.pdf

It is important to residents of this area that we remain part of Our historic Hove heritage and do not get merged with Brighton and eventually lost. Our Boundary is marked by the peace statue up to Boundary passage and we don't see how it could be changed beyond it without losing our heritage.

If we are not large enough to survive without boundary changes then the only suggestion we have is to include Somerhill Avenue which takes in Brunswick school and St Anns well gardens as these form part of our Brunswick Town entry into South, South East in Bloom as they are our local school and park.

Please come and view the area personally and you will see and feel the importance of not changing our boundary.

Best wishes
