Dear Sir/ Madam

As founder of [REDACTED], which exists to support and manage the volunteers who bring planters and flowers [REDACTED], I strongly support the boundary commissions proposals as they stand

The [REDACTED] campaign looks after the planters [REDACTED] and, in fact also the planters [REDACTED]. Although we span both sides of the street, I for one know how strongly the shop keepers feel about the different identities of each side of the street.

Boundary Road is in Hove (Wish Ward) and Station Road is in Portslade (south Portslade Ward). This is how I think it should stay.

The change that I do support is the transfer of the Poets Corner area out of Wish Ward and into the next ward along as has been suggested by the Commission. Poets Corner should really be kept together as a distinct area as proposed.

With Thanks
