**Subject:** Changes to brighton and hove constituency boundaries  
**Categories:** Submissions, [REDACTED]

I would just like to email in and support these changes I think it will be a huge improvement to the city and would as you to please ignore the protests of the green cllrs who are objecting as they are only objecting because they are all self serving and care only about their own impact instead of the city as a whole.  
Thanks [REDACTED] hove resident
