My view (but not the committee's) is that: 1. The Ward was called Stanmer between the 1974 Local Government Act and when Brighton became a unitary authority.in 1997 2. To call the new Ward Coldean could be received as a bit of a poke in the eye for the residents of north Moulsecoomb. 3. Stanmer Park is something we all can relate to 4. Our parliamentary constituency as Brighton Pavilion refers to an icon of Brighton as will Stanmer be for the residents in the new ward.
