I think that The Wells should be part of Woodcote and not Stamford Ward. The reason is that, although it looks like a short walk across the Common, in reality to drive from the main area of Stamford Ward to The Wells requires driving through the centre of town and out on the A24 which takes about 10 minutes. I was Secretary of Stamford Ward Residents Association for 4 years and The Wells felt very cut off from us. If they were part of Woodcote, it would be much easier to connect them with a main part of Epsom.
