Comment text:

I object to this proposal for the following reasons. This proposal has been kept very quiet. It is wholly unfair on the older residents of Patcham who do not have internet access. All affected residents should have been written to and the proposals explained together with the pros and cons. This has very conveniently been hidden away and kept quiet. The council do not care about Patcham in any way shape or form and this is apparent with the appalling rubbish collection service, the Royal Mail proposal for Vale Avenue and the atrocious make over of Mackie Park. If Patcham is split into two how and renamed how will local issues be managed effectively when we lose our own council representation. It is wholly unfair for Patcham to lose our councillors and our identity.
