Subject: Whitehawk and Marina Ward

Categories: [REDACTED], Submissions

Dear Team,

I fail to see any community of interest between the the areas of Whitehawk and The Marina for the proposed new ward of the same name apart from the Superstore Asda.

I do not know of any existing neighbourhood community/action groups currently working for the joint advancement of residents from both areas.

Having read the most recent (July 5/22) proposals it appears that many arguments for and against ward boundary changes are based, quite reasonably, on community interest - I am failing to see any evidence of this given as a reason for uniting Whitehawk and the Marina.

Sincerely yours,

[REDACTED]
