

## Brighton and Hove City Council

### Personal Details:

Name:

[REDACTED]  
[REDACTED]  
[REDACTED]

Organisation Name:

### Comment text:

Seriously Brighton & Hove Council, have you not get anything better to do than this? Save time and money by dropping this and instead focus on what really matters - public services (healthcare, education, police, social services, roads, etc). I can guarantee the majority in Patcham don't want this, so please listen to the people who pay the taxes that allow the investment into things that maintain or improve standards in the our community.
