I strongly object & I am totally against the proposed change of boundaries to Patcham. I came to Patcham with my family 45 years ago because I was attracted by the village atmosphere, the quiet residential tree lined streets., By proposing to split Patcham in two, the character of this lovely village will be totally destroyed!. My family & I are NOT Hollingbury, we are NOT Carden , We DO NOT want to be split in half. We are ONE ward! . WE WANT TO REMAIN ONE WARD. PATCHAM. Once again I say : I strongly object to any change of boundaries which will split Patcham, resulting in half the residents being absorbed in other wards. No, No, No !
