Comment text:

I see no sound reason to exclude Arundel St from the proposed new ward of Kemptown & Blackrock. I cannot see any community interest link between Whitehawk and the Marina (to include Arundel St) and would be very interested to understand the reasoning behind such a proposal. Arundel St would be left as an outpost, viewed as an extension of the unadopted Boundary Rd and the several adjoining commercial areas and not sitting naturally or easily with either Whitehawk or the Marina.
