Comment text:

I wish to object to the suggestion that Patcham should be split into two to form two separate units - Patcham and Westdene and Patcham and Hollingbury. I have lived in Patcham for over 26 years (and Brighton & Hove for over 42 years) and can see no reason or benefit to local residents for such a split. Patcham has a long proud history and should not now lose its identity - especially if the proposed changes are being motivated by political considerations alone.
