Comment text:

I think it would be appropriate to move the whole area known as "Artists corner" (Prinsep, Leighton Landseer Roads etc across to Amherst Crescent) bounded by the Old Shoreham Road in the North and the railway in the South , by Hove Cemetary in the West and Sackville Road in the East from Hove Park to Westbourne ward as it shares more characteristics with Westbourne than Hove Park. Indeed, I already pick up casework from there which I have to refer on at the moment. Many residents use the Aldrington Station and also use the school, shops in Portland Rd and Stoneham Park on the South side.
