Subject: Boundary Commission proposals for Rushcliffe Wards

Categories: Submissions, Simon

Hello,

At the East Bridgford Parish Council meeting on Monday 8th November 2021, the Councillors **RESOLVED** to put forward the following comments:

The proposal for a new, very large East Bridgford ward as a consequence of changes to Bingham which involves linking up of villages from Shelford right across the north east of the borough such that two Councillors will be needed.

Both our Borough & County Councillors spoke against this on the basis of the size and difficulties it posed for representing the 17 parishes within it.

The PC have therefore decided to express its **opposition** to the proposal, and would prefer separation of the large ward into two, with one Councillor each, using the A46 as a potential boundary.

Kind regards
Sharon

Sharon Ellis

Clerk and Responsible Finance Officer to East Bridgford Parish Council
