Langar cum Barnstone Parish Council wishes to thank the Local Government Boundary Commission for their consideration of its comments to the original proposal for boundary changes affecting Langar and Barnstone, and further wish to express its support for the revised proposals which place the two villages in the single ward of Nevile & Langar.

Should this change to a single ward go ahead it would support the work of the Parish Council towards uniting the two communities.

Thank you.

Councillor Jeffrey Fry  
Chair, Langar cum Barnstone Parish Council
