Subject: More development for Ruddington

Categories: Submissions, Matt

Dear Igbce

It appears that Rushcliffe Borough Council are refusing to acknowledge or accept the objections of the local community to the opposition of yet more plans to build on green belt land surrounding Ruddington. I am adding my objection, for what it is worth, to any further development now or in the future around Ruddington Village. RBC are ripping the heart out of the village and destroying the positive impact on lifestyle and health you currently get from living in such a village. I do not need to into the whys or what for's of why further development is going to be bad for the environment and peoples wellbeing as RBC is well aware of these objections, concerns and rationale.

Regards [REDACTED] (Resident of Ruddington)
