**E-mail:** administration@alcester-tc.gov.uk  
**Postcode:** [REDACTED]  
**Organisation Name:** Alcester Town Council

### Comment text:

Oversley Green, currently proposed for inclusion in the new ward of Alcester East, has more synergy and connectivity with the new proposed ward of Alcester West. Oversley Green is a rural hamlet in close proximity to Alcester High Street and, in common with Alcester West, contains a number of historic buildings. Alcester East on the other hand, largely comprises 1950s housing estates making the landscape completely at odds with this part of Alcester. This comment is reflected in the views of a majority of Oversley Green residents
