

## Waverley Borough Council

### Personal Details:

**Name:** Jan Floyd-Douglass  
**E-mail:** jan.floyd-douglass@waverley.gov.uk  
**Postcode:** XXXXXXXXXX  
**Organisation Name:** Waverley Borough Council

### Comment text:

As a Waverley Borough Councillor, I broadly agree with the need to review and slim down the warding arrangements under Waverley BC. However, I believe that the draft recommendations do not serve the Eastern villages well nor meet the appropriate and fair levels of democratic representation. This possible clumping together of four disparate villages (merging Hascombe, Hambledon, Wonersh, Bramley and Busbridge Rural into one ward) would be 'a huge stretch of borough councillors time when we need them to work for us as parishes.' as a concerned Parish Council Clerk has emailed. In addition, it is a very large area to cover geographically. Rural villages have their own unique DNA, history and character, particularly those in the depths of the Surrey Hills and surrounds. The reviews final recommendation should respect this, and make reasonable adjustment for it. I think the concerns of the residents and Parish Council are of especial import in this regard.
