In terms of the boundaries of the Witley Parish, there are some quirks that it might be sensible to resolve at this time. For instance - there are parts of Combe Lane, Wormley (e.g. Coopers Place) that it would make sense to be in Witley Parish rather than Chiddingfold. Also - it might make sense for parts of Grayswood to move to Haslemere from Witley Parish, and the A3 would seem to make a better boundary between Elstead Parish and Witley Parish. There are also bits of Guildford Borough Council that reach down to Eashing Lane in Witley Parish - perhaps those areas should move to Waverley BC, and the parish boundaries there tidied up.
