Attachments: Peopleton Boundary Changes Oppositon Petition - March 2022.pdf
Categories: Submissions, Simon

Good Morning,

Please find attached a petition raised by the parishioners of Peopleton objecting to the new boundary ward changes which would move them into Drakes Broughton ward.

There are 163 signatures which is more than half of the village residents.

Peopleton residents who have signed wish to remain in the Upton Snodsbury ward for reasons already stated in the response made by Parish Council Chairman Tim Mason.

Kind Regards,

Lisa
