Comment text:

Great Comberton Parish Council wishes to express its strong objection to the recommended ward changes and wholeheartedly supports the views expressed by their neighbouring Parish of Little Comberton. Cllrs are united in their agreement that by proposing to sever links between the combined parishes of Great Comberton, Little Comberton and Elmley Castle, community identity and shared interests are being overlooked, as Great Comberton has much greater commonality and connections with Little Comberton and Elmley Castle compared with the proposed, much larger Ward of Eckington.
