### Comment text:

WICK PARISH COUNCIL RESPONSE TO ELECTORAL BOUNDARY COMMISSION CONSULTATION – JULY 2022 At a meeting of Wick Parish Council on Tuesday 26th July 2022, which was attended by twelve parishioners, we formally agreed to object to the proposal to remove Wick from the Fladbury Ward and place in Pershore Ward. The following reasons for this decision are as follows: 1. Pershore is a large market town and Wick being a very small rural village with very different priorities to those of Pershore. These priorities have been recognised by our County and District Cllrs, who have been very understanding, sympathetic and receptive to the concerns raised by parishioners over many years. We feel that we will lose this continued support if we were to become a 'very small fish in a large pond'. 2. The population of Wick is approx. 365 compared to that of Pershore, estimated at 7,255 and ever increasing. We feel that our voice will be lost if this proposed change is allowed to go ahead and that we would be poorly represented. 3. Wick is a thriving, rural village with four working farms, many village groups and organisations with a strong community spirit. We have built up close relationships with our neighbouring parishes (in the Fladbury ward) of Cropthorne, Charlton and Fladbury on several issues over the years where we have supported each other when required. The decision made by the parish council was well received and supported by the parishioners in attendance

## **WICK PARISH COUNCIL**

### **RESPONSE TO ELECTORAL BOUNDARY COMMISSION CONSULTATION – JULY 2022**

At a meeting of Wick Parish Council on Tuesday 26<sup>th</sup> July 2022, which was attended by twelve parishioners, we formally agreed to object to the proposal to remove Wick from the Fladbury Ward and place in Pershore Ward.

The following reasons for this decision are as follows:

1. Pershore is a large market town and Wick being a very small rural village with very different priorities to those of Pershore. These priorities have been recognised by our County and District Cllrs, who have been very understanding, sympathetic and receptive to the concerns raised by parishioners over many years. We feel that we will lose this continued support if we were to become a 'very small fish in a large pond'.
2. The population of Wick is approx. 365 compared to that of Pershore, estimated at 7,255 and ever increasing. We feel that our voice will be lost if this proposed change is allowed to go ahead and that we would be poorly represented.
3. Wick is a thriving, rural village with four working farms, many village groups and organisations with a strong community spirit. We have built up close relationships with our neighbouring parishes (in the Fladbury ward) of Cropthorne, Charlton and Fladbury on several issues over the years where we have supported each other when required.

The decision made by the parish council was well received and supported by the parishioners in attendance

Yours faithfully

Lynne Yapp  
Clerk to Wick Parish Council
