The Bowers Hill side of Badsey on the Willersey Road, including the houses opposite Manor Road, Wickhamford, and all the way to the end of the cottages at Bowers Hill appear to be stuck out on a limb. There are currently approx. 50 houses that are much nearer to Wickhamford than Badsey. With Badsey becoming much larger with all of the new houses being built in the village. Would it not be worth looking at changing houses to the south of Bullybrook to come under Wickhamford parish rather than Badsey?
