May 2023

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 41 councillors
- 15 wards
- 11 three-councillor wards and four two-councillor wards

59 residents and organisations
helped shape our recommendations

We aim to make sure Cannock
Chase councillors represent a similar

- One ward that is more than 30% away from the average

From elections in 2024:

- Three councillors per ward

Cannock Chase will move towards:

- One ward being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 2,287 electors
