### Comment text:

I write as clerk to Great Hanwood Parish Council. Whilst we appreciate the boundary commission has no power to change parish boundaries, we are also conscious that the divisional boundary review will have implications for the forthcoming parish boundary review. Therefore, when reviewing the divisional boundaries we would like to ask that you bear in mind our comments re Great Hanwood parish, which is part of Longden division. There are certain areas adjacent to Great Hanwood parish which are outside of the parish but look to Hanwood as their community and use services in Hanwood. We therefore ask that the Great Hanwood parish boundary is extended to include the first few houses in Pound Lane (including the ones just past the railway bridge), the new housing by St Thomas and St Anne's School, Hanwood and also Cruckton and Cruckmeole.
