Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Gerrards Cross

Having grown up in GX and returned with my family since 1983, I am well acquainted with community organisations such as neighbourhood schools and sports facilities and believe that, since they are located on what locals regard as GX roads, it is important that they are officially designated as being part of GX. GX Town Council has an excellent reputation, and having read the documentation, I support their views.
