Dear Sir/Madam

I would like to raise my objection to Fulmer having its boundary change to link it with Farnham Common rather than Gerrards Cross and Denham.

I have lived in Fulmer for 23 years and feel it is much more closely linked to Gerrards Cross for many reasons including:

Most people in Fulmer shop in Gerrards Cross.

Lots of Fulmer residents commute into London via Gerrards Cross train station.

The football club is Fulmer and Gerrards Cross combined.

The village school is a feeder school to Gerrards Cross primary school.

The village church is part of Gerrards Cross church sharing events and other activities.

Our allotments are used mainly by the Gerrards Cross community.

Village events are heavily supported by Gerrards Cross.

As a result we feel very much a part of Gerrards Cross and it would be wrong for us big to be linked with them.

Kindest Regards
