I support the continuation of Fulmer being affiliated with Gerrards Cross for the following important reasons:-

1. It's where we go for shopping - Waitrose and Tesco
2. It's where we go for dry cleaning and alterations
3. It's where we collect out prescriptions from - Health & Beauty and Boots
4. It's where we socialise in coffee shops - Nero, Costa etc
5. It's where we have our hair cut
6. It's where we attend for beauty treatments - Deluxe Clinic, Gerrards Cross Beauty Lounge etc
- 7 It's where we attend for optician appointments
8. It's where we buy hardware - Lords
9. It's where we have our photographs printed etc
10. It's where we eat out - Maliks, Wildwood etc
11. It's where we get take-away food - Maliks, Pizza at home etc
12. It's where my children went to school - Moreland Drive
13. It allowed access to grammar schools - Beaconsfield High school which both my children attended
14. It's affiliated with our church St James Gerrards Cross and Fulmer
15. It's where (sadly) we accessed funeral services for my parents - Arnolds Funeral Directors

It is imperative (in my opinion) for the above reasons to remain affiliated with Gerrards Cross. I never go to Farnham Common for any reason at

all.

Kind regards  
Wendy and Gary Blinco
