May I say that we do NOT feel that Fulmer should be linked with Stoke Poges and Farnham. My husband has lived here for 60 years and I have been here for 40 years and in all our time here we have had virtually no involvement with either of those parishes. Fulmer is almost part of Gerrards Cross, firstly as we share our joint Churches and secondly most children from Fulmer go to schools in Gerrards Cross and therefore get involved with the life and residents of Gerrards Cross to say nothing of the fact that all our shopping, doctors and dentists are in Gerrards Cross too. Pease ensure that this strong link remains. Thank you.
