Dear Madam/ Sir

I am writing to say that I am very opposed to Fulmer being put in a ward with Wrexham and Farnham rather than remaining with Gerrards Cross. Whatever for!!

Virtually all Fulmer residents use Gerrards Cross as their everyday town.

I go there easily five times a week, often more.

I use it for my day to day shopping, culture, travel to London, the Memorial Centre and I make school runs there for my grand daughter and soon for my grandsons who are at present attending Fulmer Infants School.

I only travel through Wexham and rarely visit Farnham.

Kindly listen to what Fulmer residents want.

I have lived in Fulmer for nearly thirty five years

Yours sincerely
