Comment text:

I vehemently feel that it is paramount that South Park Drive SL9 remains within my local town of Gerrards Cross whose facilities and businesses my wife and I have always supported and with whom we wish to continue to have a say in local matters. We walk to and enjoy the benefits of a nearby railway station and it is important for us to be able to have a say in all matters relating to this area. We both accept and support the NEW Revised Proposal that continues to include South Park Drive within Gerrards Cross.
