## Comment text:

**Related subject:** The affect of the proposed redrawing of boundaries will have on Fulmer

I have been a property owner and resident of Fulmer for 15 years and would like to express my disapproval of the suggested boundary changes. Fulmer is Gerrard's Cross facing as a community. The Church, sport and general ties are strong between Gerrards Cross and Fulmer. We shop in Gerrards Cross, use the station and host their youth football. In spite of the M40 Fulmer is closely associated with GX. I would therefore appeal to you to pay attention to the objections of the Fulmer Parish Council, which represents the view of the majority of Fulmer residents. Thank you for your consideration.
