The proposed Ashwell & Weston ward is far too large to be effective and convenient, with 11 separate parish areas to represent. The villages will be swamped. The developments outside Baldock are an extension of the urban area and will be strikingly different in character and demographic from the very rural areas... The proposed large ward would lead to a failure in representation of urban residents, who would be separated from their community in Baldock. It would also fail rural residents, as the population of the new ward would be concentrated in the new developments of Baldock... The proposed arrangements are much less satisfactory from a community representation point of view, and no better from the perspective of electoral equality. This proposal is not helpful from any point of view. We reject it totally.
