### Comment text:

I strongly object to the plan to remove Kindown from Goudhurst Parish. This was originally one parish and so historically they are bound together. Many joint organisations and clubs are active including the Goudhurst & Kilndown Local History Society, established in 1964. I am the Chairman and Archivist of the Society, which has a combined website of both villages and a large archive of artefacts, documents etc. completely integrated, which would be impossible to separate! <http://www.goudhurstlocalhistorysociety.org> This is the silliest idea I have ever heard. I wonder where our particular address would be? - Jane Davidson, Chairman & Archivist , [REDACTED]
