### Comment text:

I support the proposals put forward in the consultation. I think the aim of increasing electoral equality is important and the proposals provide a sensible approach with that in mind. As a resident of Sissinghurst I think that the proposed change aligning Sissinghurst, Cranbrook and Frittenden seems appropriate given the current links between the villages. I think the proposal to reduce the size of the council, to ensure a more equitable split of the voter voice across boundaries is right.
