To whom it may concern,

I do not agree with the proposal that Tunbridge Wells' rural parishes should be lumped together into three new large Borough Council wards, thereby losing their local community identities. Absurdly, my parish Goudhurst will be split in two. Nor do I agree with another consequence of the proposal that voting becomes an annual event, increasing costs which we have to bear. What a waste of money. Furthermore, Councillors rather than making plans covering several years and having that time to implement them, will instead be running around promoting their ideas with no time to bring them to fruition. Short term thinking/actions lead to bad decision.
