### Comment text:

I object to the proposed splitting of the Goudhurst CP whereby Kilndown will move to be part of the new Hawkhurst, Benenden & South Goudhurst ward. Kilndown's community identity is most closely associated with that of Goudhurst and Lamberhurst, as these are not only closest by geography but also provide the majority of local amenities for the village. Goudhurst and Kilndown are one parish and the proposed splitting of wards will create a situation where part of the parish is represented by different local governments. Surely this will have a huge impact on Kilndown, which is already a relatively deprived part of the parish, and will only lead to further deprivation if the representing councillors are not local.
