Would be helpful if the Wollescote area was included in Stourbridge (it's postal address!). Consider this when recalculating Pedmore and Stourbridge. In addition, the area known as Stevens Park, Wollescote/Lye Park/Wollescote Park is currently included in no less than 3 Wards. Perhaps the park could be included in just one ward - it would make correspondence with councillors less time consuming and maybe result in quicker decision making.
