## Comment text:

Dear LGBCE,  
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.  
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]  
It would have been nice for North Tyneside Council to have made residents aware of these changes sooner. If it wasn,Äôt for a local independent candidate I wouldn,Äôt have known of the proposed changes to the boundaries. This impacts every part of life in the Benton and Forest Hall area yet the council felt it appropriate to disengage their constituents.  
Many thanks
