## Comment text:

Dear LGBCE,  
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.  
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]  
Total lack of information from Council on why change is being proposed and pros/cons of proposals. Why such a short period of time for residents to submit feedback when proposals known about by Council for months. No contact from any local councillors to our current Benton ward on this issue or what they support and why. Only David Arthur, independent candidate, seems to be pro active on this and have residents best interests. Do not support Council's proposal.  
Many thanks
