Comment text:

Dear LGBCE,

I would like to support the proposed North Shields ward within your suggested boundries for North Tyneside.

I believe that the North Shields shares ["Shared sense of community", "Shared local groups", "Shared amenities like schools, shops etc"]

I live on the Royal Quays estate which has been put into the North Shields Ward. I feel this is a good idea as it links the harbour with the town centre which seems sensible.

Many thanks
