Dear LGBCE,
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.
I believe that the Benton & Forest Hall shares ["Shared sense of community"]
I was really disappointed at the amount of notice NT council gave regarding commenting / voting on their revised proposal which I am totally against. As a result, I missed their unreasonable timescale! I would like it to be noted that I am in favour of the Boundaries Commission proposal or, if that cannot happen, for the boundaries to remain as they are
Many thanks
