Postcode: [REDACTED]
Organisation Name: West Northants Council

Comment text:

It was important to keep the Two Communités of Weston Favell Village & Bridgewater Residents together .They both share the same schools ,allotments and church. They are naturally bounded by the A45 and A5095 and A43 .They all share the award winning Blue flag Abington Park .Indeed they share lots of functions together as well such as the late Queens Platinum Jubilee and now the new Kings Charles Coronation in May. This is a truly a great community . The Boundary Commission has worked hard on this draft consultation and I fully support their efforts in keeping these communities together. The Little Billing ward naturally belongs in Billing as its part of their Parish and this makes perfect sense .Standens Barn & Wakes Meadow will continue to be part of Weston and indeed we are currently looking to set up a residents association there as well . I would like to thank the Boundary Commission in their decision making and their hard work .I fully support their approach and decision.
