I currently represent Billing & Rectory Farm Ward as a Unitary Councillor on West Northants Council. I would support the current proposal for the new wards in my area. I believe it makes sense for Billing, Bellinge and Ecton Brook, which are all covered by Billing Parish Council to be in the same ward while Rectory Farm and Blackthorn which are separated covered by Northampton Town Council are in different wards. The new wards would also be physically separated by the A4500 so these changes also make sense Geographically. I am also pleased that the new changes are dual member wards which would give a good level of democratic representation.
